

## Hop on the Farm to School bus and support growing Vermont Farm to School & Early Childhood programs!

**I support additional state appropriations to grow Farm to School & Early Childhood programs to more Vermont communities.**

- Every \$1 spent on local food for school meals contributes an extra 60¢ to Vermont's economy.
- 26% of Vermont teens are overweight or obese, and Farm to School & Early Childhood can help reverse that trend.
- Farm to School & Early Childhood connects students and parents to farmers and teachers and strengthens our community bonds.

I support Farm to School & Early Education because...
