

Please hop on the Farm to School Bus and support expanding the Vermont Farm to School and Early Childhood Program!

I support additional state appropriations to expand the Farm to School and Early Childhood Program to more Vermont schools and early childhood programs.

- Every \$1 spent on local food for school meals contributes an additional 60 cents to Vermont's economy.
- 26% of VT teens are overweight or obese and Farm to School can help to reverse that trend.
- Farm to School and early Childhood connects students and parents to farmers and teachers and strengthens our community bonds.
